

## **IMMUNIZATIONS**

The following are the immunization requirements for students at Learning Prep School: Documentation of the following immunizations and screenings need to be submitted *prior* to the first day of school. The State of Massachusetts requires documentation of the following immunizations for entry into kindergarten (first grade (equivalent) at LPS).

Hepatitis B---3 doses or Recombovax 2 dose series

DTaP/DTP, DT/TD---5 doses

Polio---4 doses

HIB---4doses

MMR---2doses

Varicella---1 dose vaccine or health care provider Documented case of the disease

Lead Screen---with documented results

Tb test or health care provider documentation of low risk classification

\*Those students entering grade 7 (ages 12-13) in the fall need to have documentation of the following immunizations *prior* to attending the first day of school.

Hepatitis B---3 complete doses or Recombovax 2 dose series

Tetanus (TD) Booster---1 dose. New state requirements expect a TD booster every 5 years (old requirements were every 10 years).

Varicella Vaccine---if given before age 13, 1 dose; if given after age 13, 2 doses complete OR a health care provider documented case of the disease.

## **PHYSICAL EXAM**

All *returning* students need to have a physical exam yearly and up to date immunization on record. We prefer Learning Prep School Health Examination Form to be used.

All *new* students need to have present documentation of required immunizations and a current physical exam before attending Learning Prep School. Please complete the enclosed Learning Prep School Health Record Form and return with the admission packet.
