High School (Entering grades 9-12)

July 6th – July 24th 2020

Learning Prep School Summer Program (Extended Year Program referred to as EYP) is a 3-week program beginning Monday, July 6th and ending Friday, July 24th. The program will operate Monday through Friday, remotely, from 9:00am – 2:30pm. The program is designed to maintain progress and prevent substantial regression through educational and social opportunities. Modeled after Learning Prep School programming, it is open to students who are enrolled at Learning Prep School. The tuition has decreased to \$2,400 for the full 3 weeks.

The program will consist of:

- A schedule of the following 40 minute zoom classes (25 minute class and 15 minute assignment for academics):
 - Reading/Literature
 - Math
 - Writing/Language Arts
 - Art, Computers, and/or PE
 - Speech and OT services, when applicable
 - Push in services, in the High School, to academic and/or elective classes, when applicable
 - Social Communication
 - Life Skills for Seniors
- Daily Morning meeting
- End of the day activity
- Friday social time/virtual field trips/fun activity zoom meetings
- An individualized schedule with zoom links will be emailed before the start of the program.

Any student attending the program and currently has an LPS Chromebook at home can keep the Chromebook until the end of the Summer Program.

Teachers will be using google classroom to post assignments. For those students and families in the Middle School who are unfamiliar with this platform, information and tutorials will be sent before the start of the program and staff will assist students when the program starts.

Registration is easy! Just click on this link <https://www.familyid.com/learning-prep-school/learning-prep-school-summer-program>

If you previously registered, you must log in and register again as some information has changed. We will issue refunds to those who choose not to participate and will send partial refunds to those who already paid the previous amount but would like to attend remotely at the decreased amount. Registration will be open starting today through June 19th in order to complete specific scheduling of the program.

Hope to see you there!
