A message from Kurt

Dear parents,

What a perfect day for Middle School Field Day! It was great to see kids out of their classrooms, running around and having fun with teachers and friends. I wasn't able to spend all morning with the kids, but I did manage to try a couple of relays: the egg (golf-ball) carry and the potato sack (pillow case) jump. This was one of the most "normal" activities we have held all year and is a terrific symbol of what is to come. As we start to wind this year down, the administration has begun planning for next year. We are

working through student schedules, teachers' room assignments, and the end of the year admissions rush, and we are doing all of this planning with the thought of a much more typical year. Next Friday, our last Friday of school, will also mark our last weekly newsletter. We began with these weekly newsletters because there was so much information, coming so quickly, that we had to communicate with you. I hope you found these helpful. Next year's newsletters might look a bit different -- with less volume for you to read and digest -- but we will continue to be in touch weekly with updates on events and critical information.

Enjoy your weekend. Summer vacation is just around the corner!

Best wishes,
Kurt

Please note that this event is organized, planned and run by our amazing LPS parents.

Family carpool list

If you are interested in being on a shared list for families who are interested in discussion future school carpooling opportunities, please email **Debby Worcester** at dworchester@learningprep.org by **Friday, June 18th**. The complete list will be shared with interested families the following week.

Annual Registration Paperwork

Every summer Learning Prep School sends out our Annual Registration Paperwork for students returning in the fall. Please note that this paperwork may be sent out slightly later than usual as we will have to wait on guidance from the state regarding Covid policies, which will inform some of the needed paperwork.

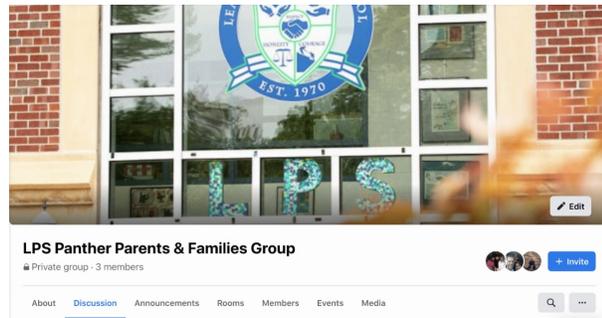

Annual Registration Paperwork will continue to be completed online through the [SchoolAdmin Parent Portal](#) (the same portal where application materials and previous registration paperwork has been completed).

When the paperwork is ready to be completed, families will be notified via email - likely around mid- to end of July.

Private Facebook Group

To foster connections among our current LPS families we have created a private Facebook group just for you called **LPS Panther Parents & Families Group**.
